IMPORTANT INFORMATION WHEN TRAVELING OUTSIDE THE UNITED STATES

If you plan to travel outside the U.S., please contact a bankcard representative at 1.800.242.7600. For security reasons, some foreign countries may be blocked or have certain restrictions.

Important Information About Procedures For Opening A New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions obtain, verify, and record information that identifies each person who opens an account or requests a loan. What this means for you: When you open an account or request a loan, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. We may ask our established customers for identification and we will use this information to update our files.

Your choice regarding over-the-credit limit coverage.

Unless you tell us otherwise, we will decline any transaction that causes you to go over your credit limit. If you want us to authorize these transactions, you can request over-the-credit limit coverage.

If you have over-the-credit limit coverage and you go over your credit limit, we will charge you a fee of 2% of your credit limit, with a maximum fee of \$10. You will only pay one fee per billing cycle, even if you go over your limit multiple times in the same cycle.

Even when you request over-the-credit limit coverage, in some cases, we may still decline a transaction that would cause you to go over your limit, such as if you are past due or significantly over your credit limit.

If you want over-the-limit coverage and want to allow us to authorize transactions that go over your credit limit, please:
